Dear Clubs

**Re: Eligibility of swimmers.**

Just a reminder, each swimmer participating in the National Swimming League shall have joined the club he or she represents before **1st October** in the year of competition and have registered his or her membership with that club with the relevant National Governing Body prior to that date.

The names, dates of birth and British Swimming registration numbers and British Swimming registration categories of swimmers who may be selected to swim for the team are to be forwarded to the League Secretary before **1st October** in the year of competition.

A swimmer will not be eligible to compete in any round if that swimmer is not registered with the League Secretary before the **1st October** in the year of competition.

**Please NOTE:**

Clubs with more than 1 team you will need to submit a list for each team (this is not the round team sheet)

Yours sincerely
