Please read the information on Page 2 for all pool restrictions that we have to abide by

The National Arena Swimming League - North West

League Recommendations

The League recommends that everyone attending any of the league galas, whether that be face-to-face or a virtual gala takes a Lateral Flow Test within 48 hours before the gala. That includes all athletes, coaches, team staff, officials, helpers and spectators. Everyone is responsible for their own safety and everyone else's safety. If the Lateral Flow Test shows positive you should not attend the event. See below for details on wearing face masks. Stay safe.

Pool Venue Restrictions

In these "Post" Covid times each pool is subject to certain restrictions and we have to abide by these in order to be able to deliver the programme. It has been very difficult to source suitable pools to the extent that we have only just finalise the pools and their limitations. In all pools it would be appreciated if everyone (including swimmers) planned to be wearing a face covering. Each team should group together in a bubble on poolside.

Details for each pool are given below:-

Macclesfield

Each team for this round (of 6 teams) is restricted to 38 persons on poolside (this includes the 3 max coach/team mgrs)

Each team is limited to 40 spectators on the balcony and the upper viewing deck.

Blackpool

No specific restrictions

Ellesmere Port

No specific restrictions

Leigh

Each team is limited to having 14 spectators and a max. of 4 adults on poolside

Spectators must wear facemasks

Kendal

No specific restrictions

Connah's Quay

No Spectators are allowed

Everyone is to wear a face covering at all times except for swimmers about to compete

Maximum of 3 coach/team managers on poolside

Sale

The total size of each club's personnel should not exceed 45 (this figure included all swimmers coaches, team managers, Official and person to carry out the Duty)
